## FULL NATURE IN THE NATIONAL PARK!

Three days immersed in nature, along the paths of the Gran Paradiso National Park in search of wildlife and beautiful blooms of alpine mead. In moments of relaxation you will visit the workshop of wood carving and the "Homo et Ibex" museum, typical dinners at the hotel.

### Day 1

Arrival in Ceresole Reale accommodation in hotel and departure for a guided hiking to discover the nature of the park. Dinner and overnight at the chosen hotel in Ceresole Reale.

### Day 2

Hiking excursion with nature guide to discover the park. Packed Lunches. On the way back visit to the museum Homo et Ibex in the historical Grand Hotel. Dinner and overnight.

### Day 3

Hiking excursion with nature guide to discover the park. End of the tour.

## FULL NATURE IN VALCHIUSELLA!

Three days to discover Valchiusella between history and nature: the Souls' Path, the mining sites of Brosso and Traversella, unique nature of Alice and Meugliano Lakes.

### Day 1

Arrival in Brosso, accommodation in hotel and easy excursion in the Park of Brossasca, a walk along the old Road "delle Vote" (votive pillars) rebuilt in the Napoleonic period on a older path, where it is possible to identify traces of mining activity and iron working that took place here over the centuries. Dinner and overnight at the hotel.

### Day 2

Hike along the Souls' Path starting from Traversella. Packed lunch. Dinner and overnight at the hotel.

### Day 3

Hike between Alice and Meugliano Lakes, the discovery of a particularly valuable nature site of European importance since 1995; typical lunch at the restaurant Incontro, facing the Meugliano Lake. End of the tour.
